☒ NO      ☐ YES

**SUBJECT:**

DOCKET NO. 2008-196-E - Combined Application of South Carolina Electric and Gas Company for a Certificate of Environmental Compatibility and Public Convenience and Necessity and for a Base Load Review Order for the Construction and Operation of a Nuclear Facility in Jenkinsville, South Carolina - Discuss with the Commission the Notice of Appeal Filed by Joseph Wojcicki.

**COMMISSION ACTION:**

Dismiss the petition for reconsideration without prejudice. The petitioner failed to specify how he thought the directive was erroneous, and in any event, such a motion would more appropriately be filed in response to the order memorializing and further explaining the Commission's decision. Such an order has now been issued as contemplated by the statute.
